

Date: _____

Adopter's Name: _____

Pet's Name: _____ Gender: _____ Pet's DOB / Age: _____

Color / Markings: _____ Breed: _____

The LSPCA adoption fee includes age-appropriate vaccines (except kennel cough), dewormed, microchip and spay/neuter. Adopters need to contact any of the animal hospitals listed below to schedule spay/neuter surgery and microchip at **6 months of age**. Proof of Spay/Neuter at 6 months of age needs to be sent to LSPCA pursuant to the adoption contract. This voucher for surgery must be presented at your appointment. LSPCA will cover the spay/neuter surgery, microchip, E-collar, and pain medicines only.
